Subj: Request for Listing of Real Estate Instruments

1. On 1 July 1974 certain Public Works Department functions at the Marine Corps Air Station (Helicopter), New River were consolidated with the Public Works Department functions at Marine Corps Base, Camp Lejeune. Real estate responsibilities were among those functions transferred effective that date.

2. It is requested that a listing of active real estate instruments of the Marine Corps Air Station (Helicopter), New River be furnished this Headquarters in order that an inventory can be made of transferred instruments.
